

# Get Familiar With The Scripts

**Dear (First Name),**

At Genistar, we have key scripts that support you through each stage of growing your business. Practising and remembering these off by heart will help you gain confidence within the Genistar system and lead you to success!

In our last email, we showed you the script on how to introduce new members to Genistar. If you are keen to become a licensed Representative, you need to read the

other scripts available to you in your [Business Basics Workbook Part 2: Follow the System.](#)

These scripts teach you what to say and how to overcome objections throughout all stages of the Genistar sales process.

If you need any support with these scripts, please contact your upline or Executive Vice President with any questions.

Yours in success,

**Genistar Field Support Centre Team**
