

Dear (First Name),

We are thrilled you have taken the first step towards your future in helping families become financially independent, whilst earning an income for yourself!

If your focus with Genistar is to solely introduce others into the business, speak with your upline or EVP for tips on how to successfully generate an income.

INTRODUCTION TO RECRUITMENT COURSE

However, if your aim is to become a Representative, you will want to focus on building your team, which will help you create a successful business. We noticed that you do not have any team members yet; if you are unsure on how to begin or need support when building your team, we have a series of videos that can help you. Have a look at our [Introduction to Recruitment Course](#).

If you require more information on how to introduce people to Genistar, please contact your upline or Executive Vice President (EVP). They will be able to share their experiences with you and help train you on the best ways to introduce people to their Genistar opportunity.

We look forward to celebrating your success!

Yours sincerely,

Genistar Field Support Centre Team
