WE DO WHAT'S RIGHT

Our clients are at the heart of everything we do. We educate people about their finances so they will be able to make the proper choices for themselves and their families. Many of our clients go on to become representatives with us so they can help educate others.

During the first quarter of 2021, Genistar has completed 2,489 Financial Game Plans. That is 2,489 households that now have the financial education to make informed financial choices.

In the Spotlight

At Genistar, we are proud of the people who work with us.

Daryl Harper

In the spotlight this month is Senior Vice President Daryl Harper. In March, Daryl earned a generous bonus because of his outstanding performance at Genistar. And being a man whose philosophy of life is to give back and bless others, Daryl used the money to pay his father's mortgage for a year.

His dad sent this message: "Daryl, I had to go on my knees today to thank the Lord for my wonderful son. I am truly blessed... I've been struggling for a good while trying to work and make ends meet. ... all I can say is thank you and I love you."

Thank you, Daryl, for your hard work, dedication, and spirit of giving.
