WHAT PEOPLE ARE SAYING

The financial education that we provide often has a major impact on people's financial lives. Many of them write testimonials about their experience, and you can read a few of the latest ones below. There are many more on our website.

Great experience

Great experience. The financial review our Genistar rep had with my wife and me was very deep and exhilarating. Everything was broken down into a workable step by step process to achieve our goal. Now we have our plan on paper and taking strategic steps to achieve it. Thank you Genistar.

Excellent service, highly recommend

I was very impressed with the detail of the financial review with our Genistar rep who had mine and my husband's best interests at heart. She was only about getting the best for me. I have life insurance for my needs now and the savings I have made pays for it! Amazing service, thank you!
