Our CEO's Birthday Wish

Genistar's CEO, Jeff Lestz, will be celebrating his birthday soon, and his wish is to raise money for a charity called Centrepoint. Centrepoint is dedicated to giving homeless young people a brighter future. This charity is close to his heart because he experienced homelessness himself as a teenager. He would like to invite everyone to join him in supporting this worthy organization. To that end, he has set up a *JustGiving* page for any contributions you might wish to make. **You can read more about Centrepoint here.**

In addition, Jeff and Margo will be personally matching the total amount raised, up to £10,000. So whatever is raised on *JustGiving*, will be doubled. Please see the short video below to find out more.

Professional, flexible, and so knowledgeable

Privacy - Terms

Absolute pleasure to meet my Genistar rep over zoom and speak to him in detail about our finances. Professional, flexible, and so knowledgeable on his subject matter. He taught both my husband and I a lot about our finances… and helped us look at improving our money situation.

He was such a genuine guy, interested in helping us and helping us focus on our goals and aspirations.

Rare to meet such a lovely, altruistic gent – thank you for your time and patience… and for teaching us how to educate ourselves and our children for the future.
