BEWARE OF SCAMS – Genistar always refers you to legitimate, trustworthy organisations such as Vitality. Unfortunately, there have been an influx of calls from scammers posing as Vitality representatives. Even if the caller knows the details of your policy, it could still be a scam.

Remember – Vitality will NEVER call you to offer better terms or other products. If you get a call from someone about changing your Vitality cover, please take down their name, phone number and the company they work for, then report it to either your Genistar representative or call Genistar's Field Support Centre on 0203 372 5085.

What Our Clients Have to Say

At Genistar we care deeply about our clients and do all that we can to make sure they have a good experience with us. We want every customer to be better off after their interaction with Genistar.

Came at the Right Time

Genistar came at the right time for us. Both me and my husband are not great with handling finances and, given the inflation, we wanted financial direction which our Genistar representative provided in great manner. It shows that he loves what he does and is ready to help above and beyond. Would highly recommend.
