Summer Newsletter, July 2026

The Good Life

The warm days of summer invite us to slow down, reflect on what matters most, and appreciate the life we're building. At Genistar, we are always ready to help you build your good life – whatever that looks like to you.

In this summer edition of Money Matters, we're keeping it light and starting out with some timeless money lessons to be found in fairy tales and fables. Then we'll explore seven simple ways to create more of the *good life* and be inspired by Betty Hammond's story of how four key decisions transformed her future.

We've also included a fun ice cream personality quiz to reveal your summer fun style, plus a brand-new episode of the *Financial Freedom For All Podcast* that explores a conversation powerful enough to change a life.
